

Young Researchers in Mathematics

Does research ever feel like
eternal damnation?

There is another way!

Come to YRM 2010, a conference for graduate students and postdocs with contributions from a diverse range of distinguished guests

Now accepting registration and talk abstracts at
www.youngresearchersinmaths.org

contact at your university

University of Cambridge
25 – 27 March 2010

Algebra • Analysis • Astrophysics • Cosmology and Relativity
Combinatorics • Fluid Dynamics • Foundations • Geometry • HEP
Mathematical Biology • Number Theory • Numerical Analysis • PDEs
Probability • Statistics • String Theory • Topology . . . and more!
